Dear Katie,

I study at Sunshine Middle School now. I love my school.

Every day, I wake up at 6:30 a.m. I go to school at 7:15. My school is near my home, so I always walk. Our classes are over at 4 p.m. I go swimming after school on Friday afternoon. In the evening, I do my homework first. Then I read some books. I usually go to bed at about 9:30 p.m.

Please tell me about your life.

Amy

B Millie at the Reading Club

B1 Millie is writing on her blog about the Reading Club at school. Read what she writes.

The Reading Club meets in the library on Tuesday and Thursday. We read and talk about good books. It is a lot of fun. I tell the other students about my favourite books. Then they tell me about theirs. We also learn about new books and get ready for what to read next.

We can read books alone, or we can listen to English books on CDs. I like this way. It helps me with my English.

Sometimes we read books in pairs. Students in Grade 9 help me read difficult books. They tell me what the words mean. This is very helpful. I like to learn from the older students.
